

**ISR AUTUMN MEETING 2019 - POSTER PRESENTATIONS - REGULAR**

19A105	David Brennan	Advice to males with rheumatic diseases on biologic disease modifying anti-rheumatic (DMARD) therapy planning to conceive – A regional audit
19A111	Achilleas Floudas	Hypoxia Resistant Pathogenic B cells Accumulate in the RA Synovial Tissue in a CXCR3 Dependent Manner.
19A112	Achilleas Floudas	Increased T Cell Polyreactivity with Marked Accumulation of TNF- $\alpha$ DP (CD4+CD8+) in the Synovial Tissue of pre-RA, Arthralgia Subjects
19A113	Karina Teahan	Group versus individual treatment for rotator cuff tendinopathy: A randomised clinical trial in Primary care.
19A116	Usman Amin	Incidence and risk factors for developing diabetic foot ulcerations (+risk of Osteomyelitis) in geriatric patients. Relationship between depression, social isolation, and cognitive impairment with DFU
19A117	Oliver FitzGerald	Efficacy and Safety of Filgotinib for Patients with Rheumatoid Arthritis with Inadequate Response to Methotrexate: FINCH 1 Primary Outcome Results
19A118	Oliver FitzGerald	Efficacy and Safety of Filgotinib for Patients with Rheumatoid Arthritis Naïve to Methotrexate Therapy: FINCH 3 Primary Outcome Results
19A125	Sonia Sundanum	Audit on osteoporosis assessment and management in patients with chronic obstructive pulmonary disease (COPD)
19A127	Kieran Murray	A Quality Improvement Intervention to Increase Pneumococcal and Influenza Vaccination Amongst Immunosuppressed Inflammatory Arthritis Patients
19A128	Adam Donnellan	Use of biologics in older patients with inflammatory arthritis
19A130	Sharon Cowley	National Fibromyalgia Audit 2019
19A133	Muhammad Tauseef G	Patients with Hand Osteoarthritis have a long duration of symptoms and significant pain scores at the time of referral to Rheumatology services
19A135	Asif Munir	A review of patients started on Janus Kinase inhibitor (JAKi) in University Hospital Waterford
19A140	Abuelmagd Abdalla	Skills and attitudes of medical registrars towards patients with rheumatic diseases – a cross-sectional study from a tertiary center
19A141	Abuelmagd Abdalla	Profile and outcomes of early arthritis clinic patients: a tertiary referral center experience

19A143	Robert Harrington	Cost Effectiveness and Efficacy of Reduced Dose Rituximab Biosimilar in a Seropositive Rheumatoid Arthritis DMARD resistant cohort
19A144	Wan Lin Ng	RHEUM TO IMPROVE – A Study on Rheumatology Knowledge Amongst Medical Students
19A145	Salamet Ali	Adherence by patients on Methotrexate to getting the advised regular laboratory tests done
19A147	Wan Lin Ng	A REAUDIT ON UPTAKE OF PNEUMOCOCCAL AND INFLUENZA VACCINATION STATUS IN PATIENTS ON BIOLOGICAL DMARDS
19A149	Salamet Ali	Adherence with advice to stop smoking in patients with Inflammatory Arthritis on Methotrexate
19A150	Erica Tierney	A Network Meta-Analysis to Evaluate the Efficacy of Baricitinib and Other Treatments of Rheumatoid Arthritis in Patients who Are Inadequate Responders to Methotrexate
19A151	Erica Tierney	Safety Profile of Baricitinib for the Treatment of Rheumatoid Arthritis up to 7 Years: An Updated Integrated Safety Analysis
19A156	Viviana Marzaioli	CD209+/CD14+ dendritic cells characterization in rheumatoid vs psoriasis arthritis
19A157	Azhar Abbas	Awareness of Importance of Vaccination in Patients with Ankylosing Spondylitis(AS).
19A160	Aoife Hollywood	Safe Prescribing of Methotrexate - A Completed Audit Loop
19A162	Marianne Riordan	Inpatient consult requests to the rheumatology service of a tertiary hospital: a review
19A166	Mary Canavan	Divergent Roles of Rheumatoid Arthritis Synovial Dendritic Cells
19A170	Charlene Foley	UK and Ireland Paediatric and Young Person Primary Sjögren Syndrome Cohort Study and Repository (UK/Ireland PpSS cohort study and repository)
19A172	Niamh Mooney	An Evaluation of Polypharmacy and Adverse Drug Events in Older Adults with Rheumatic Disease
19A174	Tahir Aziz	Patient Satisfaction with Biosimilar Therapy Initiation and Switching.
19A179	Colm Kirby	A Study of Abatacept Retention in a Tertiary Referral Centre

19A182	Khizer Iqbal	Seroreversion For Rheumatoid Factor is common in those with RA on Biologic Therapy
19A185	Patricia Harkins	Clinical Audit of Tuberculosis Prescreening, Latent TB identification and Treatment prior to Biologic Commencement
